The following species are **exempt** or partially exempt from Kiama Development Control Plan 2012 - Chapter 3 Preservation and Management of Trees & Vegetation.

You should ensure that the species of the tree that you are pruning or removing is actually of the type on the list. You may need to seek the advice of a qualified arborist or horticulturalist to confirm this.

Council does ask that you take a photo prior to works as evidence to support your actions in case of complaints.

Alianthus altissima - Tree of Heaven

Cotoneaster species - Cotoneaster

Eythyrina x sykesii - Coral Tree

Ficus elastica - Rubber trees

Fraxinus griffithii - Evergreen Ash

Ligustrum sinense - Privet

Ligustrum lucidum - Privet

Nerium oleander - Oleander

Olea africana - African Olive

Salix babylonica - Willow

Schefflera sp. - Umbrella Tree

Syagrus romanzoffianum - Cocos Palm

Toxicodendron spp - Rhus Tree

xCupressocyparis leylandii - Leylandii Pines (all varieties)

The following trees if less than 8.0 metres in height are exempt

Cinnamomum camphora - Camphor Laurel

Liquidamber styraciflua - Sweet Gum

Grevillea robusta - Silky Oak

Acer negundo - Box Elder

Pittosporum undulatum - Sweet Daphne

Domestic fruit trees grown for the purpose of fruit or fodder production (does not include native species)

Citrus sp. - All citrus

Eriobotrya sp. - Loquat

Morus sp. - Mulberry Tree

Prunus sp. - Stone fruit, pear and banana only

72

The exemption does NOT apply within the following situations:

- for properties that are heritage listed or within a Heritage Conservation Area
- for properties that have an active development consent
- for properties that are subject to an area-specific planning instrument

BRUHAT BANGALORE MAHANAGARA PALIKE

Office of the Commissioner
N.R. Square, Bangalore - 560 002.

Commissioner Office No. PSR(G)/2012-13

DATE : xx.xx.2013

PUBLIC NOTICE

Malleswaram and Rajajinagar, the two prominent locations in Bangalore, are not only located at the heart of the city but are also in the vicinity of the City Railway Station and Kempe Gowda Bus Terminal, hence most of the vehicles entering and leaving the city have to pass through the said layouts. Due to this, traffic congestion has been increasing drastically day by day in Malleswaram as well as in Rajajinagar. Mainly vehicles coming from Rajajinagar Grade Separator and Deena Seva Sangha Road (Platform Road) face a lot of hassles at Okalipuram junction. This junction acts as a gateway at the western part of the city for vehicles entering the heart of the city and faces huge traffic snarls. Due to the lack of alternate routes and the limitation of the existing roads, it is inevitable to develop this junction since it is impossible to make it hassle-free traffic.

Keeping this in view, the Honorable Government has given Administrative approval for Grade Separator Work proposed by the BBMP from Okalipuram junction to Fountain Circle to enable easy flow of traffic and the existing four lane road will be widened to an eight lane corridor. It is brought to the notice of the general public that steps has taken to uproot the 41 trees lying on the footpath of the road, in order to execute the said widening work, under the Karnataka Urban and Town Planning Act.

BRUHAT BANGALORE MAHANAGARA PALIKE
Office of the Commissioner
Narasimharaja Square, Bangalor-560002.

Office of the Commissioner No.P.S.R(G)/9083/12-13

Dated: 30.01.2013

PUBLIC NOTICE

Rajajinagar and Malleswaram extensions situated at the heart of Bangalore City and also the same are very close to Kempegowda Bus Stand and Bangalore City Railway Station and many of the vehicles coming to Bangalore and going out have to pass through these two extensions. As a result, vehicular traffic is increasing day by day at Rajajinagar and Malleswaram, particularly the vehicles which are coming from Rajajinagar Grade Separator, Deenaseva Sangha Road (Platform Road) ought to have struck severely at the Okalipuram Junction. This junction is Main Door towards western side for coming to the heart of the city. Vehicular traffic at this junction is very heavy. Due to lack of alternative roads and also it is not possible for the existing roads to withstand the present vehicular traffic, the inevitable situation arose to under the development work of this junction.

In view of the above, the work of Grade Separator from Okalipuram Junction to Fountain Circle is proposed for smooth vehicular traffic and the Hon'ble Government accorded administrative sanction for the said work and in

the said plan, it was proposed to widen the road from the existing four path to eight path, accordingly this is to bring to the notice of the public in respect of the action taken to remove 41 trees existing at present on the foot path under Karnataka Urban & Town Planning Act.

No: ACF/SD.2/PR. 1538/2013-14

Office of the
Asst. Conservator of Forests
1st Floor, 2nd Block, Jayanagar
Bangalore, dated: 17.02.2014

Official Memorandum

- Sub:- Permission sought for felling of 26 number of trees coming in the way of construction of flyover at Kittur Rani Chennamma Circle, Near Devegowda Petrol Bunk (Padmanabhanagar) - reg.
- Ref:- 1) No EE/PC 4/PR 7/2009-10, dated: 19.5.2009 of the Executive Engineer, Project - Central Division, BBMP, Bangalore.
2) Public Notice dated: 2.1.2014
3) Decision dated: 3.10.2012 of the High Court in W.P. No.7107/2008
4) Objections (dated: 22.1.2014) of 'Environment Support Group, Bangalore.

By their order dated: 3.10.2012, Hon'ble High Court had opined that whenever large scale felling of trees is contemplated for undertaking infrastructure projects, public notice should be issued so that members of the public may be made aware of such decisions and their objections may be considered so that an informed decision may be taken by the Tree Officers in this matter.

In this matter Chief Engineer, Project, BBMP had sought permission for felling of 26 trees vide their file of even number.

In this matter, a public notice was issued for felling of 26 trees for the "Construction of flyover on Kittur Rani Chennamma Circle, Near Devegowda Petro Bunk (Padmanabhanagar)" were invited. In this matter objections have been received from the following persons/organizations.

Sl. No.	Name	Date	Remarks
1	Environmental Support Group Bangalore	22.1.2010	-
2	Anitha	8.1.2014	Email
3	Sridhar	8.1.2014	Email
4	Mahendra K	8.1.2014	Email
5	Amit	8.1.2014	Email

No one filed any comments in favour of the project in question.

I have gone through the objections filed by the above mentioned persons/organizations. While all the other objections/comments are general in nature and hence do not necessitate point by point consideration, the objection filed by Environment Support Group, Bangalore is a detailed one and requires careful consideration on the points raised therein.

Environment Support Group has raised the following main points

- In view of the interim order of High Court in WP No.7107/2008 it is premature to decide large-scale felling as the amendment in KTP Act, 1976 have not been incorporated yet
- The infrastructure works must be strictly in accordance with the provisions of 'Towns and Country Planning Act'

I have gone through the application and the objections. I am of the opinion that this office is not competent enough to address the issue of amendment in the Karnataka Tree Preservation Act, 1976. Further till the Act is un-amended, this office has necessary authority to go ahead in the matter.

Since the application for felling has been initiated by the respective engineering wings of BBMP, this office is convinced that the felling of trees has been requested after following all the necessary provision of Towns and Country Planning Act.

Hence the following order:

ORDER

In accordance with the provisions contained in section 8(1) of Karnataka Preservation of Trees Act, 1976. Permission is hereby granted to fell 26 trees coming in the way of "Construction of flyover on Kittur Rani Chennamma Circle, Near Devegowda Petro Bunk (Padmanabhanagar)". The details of the trees permitted for felling are as under:

Sl. No.	Species	Nos.
1	Rain Tree (Left side of the drain)	07
2	Mahagani	02
3	Ficus glumareta (Atti)	01
4	Ficus religiosa (Arali)	01
5	Pelotoform	01
6	Ashoka (on the road metian)	14
	Total No. of trees	26

This permission is valid for sixty days
