Subject: Clarification on the applicability of the Environment Impact Assessment Notification, 2006 for Construction of Air Strips - Reg.

Dear Sir,

This has reference to the issue of NOC / Environmental Clearance for Air Strip Projects.

This Ministry has been receiving many proposals for the issue of NOC for air strip. It is to be clarified that Ministry issues only Environmental Clearance to the Airports and the Airstrips for commercial use (except the airstrips which do not involve bunkering / re-fueling facility and /or Air Traffic Control) under the Environment Impact Assessment Notification, 2006, as amended in 2009. (copy enclosed)

It is therefore requested that the Ministry of Civil Aviation and Directorate General of Civil Aviation may not insist on a NOC from this Ministry in respect of such Airstrips which are not meant for commercial use and which do not involve bunkering / re-fueling facility and /or Air Traffic Control.

Yours faithfully,

(Bharat Bhushan)
